About Paradox

P△R△DOX™

Personalized Service, Innovative Technology Since 1989

Paradox provide customers with personalized service, to manufacture innovative and quality products, and to continually build a strong team consisting of customers, employees, and suppliers.
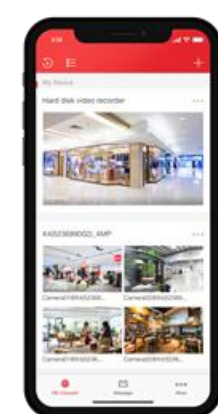

Paradox's products are sold only to and through loyal distributors in over 100 countries, most of them exclusive Paradox distributors. 90% of distributors and most of suppliers that started with Paradox in the 1980's are still Paradox's loyal customers today.
